

THE NEW GENERATION THINKPAD E14 IS BETTER

Design

Lighter and thinner than the previous gen E490, the E14 weighs 1.73kg and is only 17.9mm with an aluminum exterior

Processor

The E14 is equipped with the latest 10th Generation Intel® Core™ i7 Processor while the E490 came with an older 9th Gen processor

Display

Full-HD, In-Plane Switching, and anti-glare display

Integrated FPR with power button

Quick and secure power on and login with just one touch

Connectivity

Optional Wi-Fi 6 brings the fastest, most stable Wi-Fi yet, to the E14 for blistering file sharing and conferencing

Storage

Dual drive—up to 1TB SSD and up to 1TB HDD

Audio

Dual-array mics and Dolby® Audio™ stereo HARMAN speakers

EXCEED EXPECTATIONS. REDEFINE LIMITS.

Setting a new standard for everyday business devices, the ThinkPad E14 delivers everything you need and more from a modern professional laptop. State-of-the-art features, the legendary ThinkPad reliability, and an elegant metallic build come together to deliver excellent value for money.

AN ALLIANCE OF FUNCTION AND EFFICIENCY

PERFORMANCE

Up to 10th Generation Intel® Core™ i7 Processors and DDR4 memory make multitasking easy.

SECURITY

The discrete TPM 2.0 chip¹ encrypts important data and the ThinkShutter ensures webcam privacy.

CONNECTIVITY

Enjoy supercharged network speeds and bandwidth with Wi-Fi 6. Transfer data, project media, and charge through a full-function USB Type-C port.

COLLABORATION

Make online meetings productive with Dolby® Audio™ and HARMAN speakers with dual-array microphones for crisp voice clarity.

BUILT FOR MODERN WORKSTYLES

GRAPHICS

Discrete AMD Radeon™ RX640 graphics aids in creative processes, be it image or video creation.

STORAGE

Dual Drive (SSD + HDD) storage offers a flexible storage solution.

BUILD

Aluminum exterior panels make this modern, lightweight device the perfect travel companion.

VISUALS

Full-HD IPS display makes for a vivid experience, be it work or entertainment.

PRELOAD EVERYTHING YOU NEED, NOTHING YOU DON'T

Lenovo Vantage Software

For software updates, personalized settings, hardware diagnostics, warranty information, and technical support.

DAX3 with Dolby® Audio™ support

Audio optimization platform that offers crystal-clear audio, 2.1 surround sound, and automatic volume control to fine-tune Dolby® Audio™.

McAfee® LiveSafe™ (trial)

For robust security against threats, risky websites, and malware.

Microsoft Office (trial)

To create, edit, share, and store content virtually from anywhere in the Office Suite.

MAKE THE SHIFT TO WINDOWS 10 PRO

- Lenovo devices running on Windows 10 Pro offer multi-level protection with built-in hardware security features like discrete TPM 2.0 and Windows Hello with Touch Fingerprint on power button (Smart Power Button).
- Users can easily integrate their Lenovo devices with Windows 10 Pro and take full advantage of its advanced capabilities.
- Lenovo precision clickpad supports Windows 10 Pro gestures for an intuitive user experience.
- Backed by Windows 10 Pro, Lenovo devices deliver enhanced performance and battery life for a full workday.
- ThinkPad E14 with Windows 10 Pro enables faster bootups and better multitasking for enhanced productivity.

Depending on many factors such as the processing capability of peripheral devices, file attributes, and other factors related to system configuration operating environments, the actual transfer rate using the various USB connectors on this device will vary and is typically slower than the data rates as defined by the respective USB specifications: - 5 Gbit/s for USB 3.1 Gen1; 10 Gbit/s for USB 3.1 Gen2 & 20 Gbit/s for USB 3.2.
